Medical Center, the text focuses on presenting comprehensive information in an easy-to-understand, easy-to-remember format. The second edition of this incredibly popular book includes updated coverage of new medications, new entities, and over 300 additional full-color clinical and histological images. Following the layout of the successful first edition, even more tips, short lists, and tables, including mnemonics and memory tricks to mentally organize information fill every inch of this book – a must-have for any dermatologist and dermatology resident.

Dr. Sima Jain is a board certified dermatologist at Mid Florida Dermatology (private practice) whose special interests include pediatric dermatology, women's health, anti-aging therapy, skin cancer, and acne. She has extensive training and experience in medical dermatology, cosmetic dermatology, and laser and dermatologic surgery. Dr. Jain completed her dermatology training in Chicago, Illinois at the University of Illinois at Chicago Medical Center. During her training, she was chosen to become Chief Resident due to her leadership and excellence in teaching. Alpha Omega Alpha, the prestigious medical honor society, selected Dr. Jain to receive their annual Resident Teaching Award for proving "excellent clinical teaching" to residents and medical students. Since completing her training, she has continued to receive awards for excellence in patient care, including the Patient's Choice Award and the Compassionate Doctor Recognition.

More portable, easier-to-read, and many many more photos than Galderma. Far fewer typos. I haven't re-taken my mock boards yet, so can't say how effective it is for me. Most of the residents in my program have purchased it.

As expected. Very helpful.

Nice

Great book, very complete. Very few errors and missing information.
