Ever After (Unfinished Fairy Tales Book 3)

Synopsis

Kat has survived. She returns to Athelia as herself, Katherine Wilson. Edward, elated at learning she is alive, vows to bring her back to the palace. The obstacles, however, seem impossible to overcome. Marriage between a royal and a commoner is not recognized, not to mention that he is already legally bound to Katriona Bradshaw, who will do anything to keep her position as princess. And there's even more to worry about. Due to an uncommonly harsh winter, the people of Athelia have been suffering from inflated food prices, and are getting irritated at supporting the small, elite group of aristocrats. An uprising in a neighboring country only adds fuel to the fire. Can Kat and Edward finally get a happily-ever-after?

Customer Reviews

At the end of Twice Upon a Time, Kat and Edward faced insurmountable odds so I was eager to see how Ever After would complete their journey. I do not want to give away any spoilers, so I'll just sum it up by saying I came away feeling satisfied. It wasn't a "it's over" feeling, but a "I'm glad it's over" feeling. The book was well-written and I enjoyed it.

happily ever after for everyone, but I do think the story ended the right way for everyone. A few plot points felt a little rushed in the beginning. For example, reactions from Kat's family seemed a bit too complacent. And I was hoping for more character interaction during Kat's crossing to Athelia. Considering the players in the scene, I was expecting something unexpected to happen and was a little disappointed when it did not. However that disappointment stems more from my fondness for the characters than anything else. Still, I enjoyed this book and this series. I think Aya Leigh is a talented author and I look forward to her next project.

I could not put this book down, my only complaint was that it wasn't longer! I don't think I could ever read enough about Kat and Edward, their story is beautiful and Aya's writing captivates you from the start. Kat and Edward have been through so many hurdles in their relationship and this book has even more that come their way that keeps you guessing how the book is going to end. If you haven't read this series yet you definitely will not be disappointed!

This book moved me to tears by chapter 2. I was so emotional with all the ups and downs, this book really tugs the heartstrings. It was such a beautiful conclusion to the series Aya did an amazing job of wrapping all loose ends up into a perfect fairytale ending. I read it in half a day, and it only took me that long because there was a paper due. Perfect, absolutely beautiful.

Loved the series!! I am very sad to not have another book from this series of Kat and Edward's child life finding their true love. This book kept me on my edge and had to read all the twists all the way through. Truly hope this is not the last of Athena. I would woundn't mind a spin off of Lady Gregory and her husband's life in the fairy's realm. Aya I will always be an adoring fan of the world you have opened my mind too!! Every chapter I was on my toes and I truly could feel the characters and pictured myself being part of Kat and Edward's world!!

This is one of the best alternate fairy tale series I have ever read. Aya Ling is an excellent writer and I fully intend to seek out and buy any and all books that she has written or will write. I would give this series a 10 star rating if I could! If you like alternate fairy tales, you will really enjoy these books.

This was the perfect ending to Kat and Edward's story. I loved the mixture of fairy tail and modern twists. Kat brings something to the story that every girl needs to strive for, and Edward is the perfect hero.

I cannot say enough good things about this series! I had a very hard time putting this book down!! There were plenty of twists and turns to make it extraordinary! It was not your typical romance or fairytale. Read the series, follow Aya, and enjoy!!

Man, can I have an Edward? Loved the story line and how she didn't try to make it to where it's a love triangle. From the beginning it was always Kat and Edward and how strong their love runs. Great work!
