Customer Reviews

great step by step instructions. Lots of easy to do designs! Definately a great way to add some splash to your restroom!

I do this when I am over at someone's house.

This is a delightful book. I can't believe someone thought of such a fun idea.

This is a totally fun thing to have and use! I've loved every page and done several of them. My boyfriend feels bad when he has to undo one, but it's like the Monk's and their Tibetan sand. Toilet paper origami has no permanence. I've given a few of these books as a hostess present and it always gets a good and affectionate chuckle out of the gang.

I've always wanted to find something decorative to do with the toilet paper for the guest bathroom. These designs are quick and easy and my guests love them.

If you have a B&B or just want to add a nice touch to your bathrooms I highly recommend this. We own a B&B and retreat center in Costa Rica and using these designs adds a special touch to the elegance of the guest rooms.

Love the looks of our guest faces when they go in the bathroom.

Fun. We stayed in a hotel earlier this year, and got a kick out of the Origami toilet paper. I didn't know I could get a book on them. Can't wait to have company. It will probably get me in trouble with my wife. Oh well!
