The New Erotic Photography Vol. 1

Synopsis

You can't spell TASCHEN without T & A! The world's finest contemporary erotic photographers — Imagine walking into a room filled with the world's finest contemporary erotic photographers, each with a portfolio of his or her best work. As you browse the photographs they discuss inspiration, censorship, how to find models, and how to make a living capturing beautiful women on film and in pixels. The New Erotic Photography is the room, and dozens of photographers from various countries are the hosts of this intimate gathering. In this 320 page volume you will meet Ralph Gibson, Jan Saudek, Terry Richardson, Natacha Merritt, Petter Hegre, Richard Kern, and the many fresh new talents currently redefining eroticism. Playful, provocative and exuberantly sexy, these aren't your granddad's art nudes — this is The New Erotic Photography. — Text in English, French, and German

Customer Reviews

Dian Hanson produced a variety of men's magazines from 1976 to 2001, including Juggs, Outlaw Biker and Leg Show, before becoming TASCHEN's Sexy Book editor. Her 60+ books for TASCHEN include The Art of Pin-up and Psychedelic Sex. She lives in Los Angeles. Eric Kroll edited several titles for TASCHEN including Natacha Merritt's Digital Diaries and The Wonderful World of Bill Ward. His photography was the subject of TASCHEN's Fetish Girls and Beauty Parade.

Dian Hanson has done it again. Being a fan of Dian Hanson having purchased her "Big" books, I just had to have her latest edited book as well. The front cover photo of "Sonia" is one of the best photos in this book, and there are others of interest for me. More interesting were the short statements of the photographers describing how they approach their art and the difference between pornography and the erotic images they try to create with their models. I was surprised there were no men as principal subjects in the photographs except as supporting characters. What are heterosexual women viewers supposed to do? As we understand today, women can have a great and abiding sexual appetite if they are honest with themselves. I would strongly recommend to Ms. Hanson that her next book focus on erotic photography for women who love men. Perhaps that is Vol. 2.

I am a fan of books like this that have a compilation of several photographers, if you don't like one photographer your bound to like another. I enjoyed the variety of this book.

AS A BEGINNER IN EROTIC PHOTOGRAPHY I FOUND THIS BOOK FULL OF BEAUTIFUL PICTURES. IT HELPED ME WITH IDEAS OF MY OWN FOR POSING MY MODELS AND SPECIAL LADY.

This book does a great job of explaining lots of very difficult subjects and is wonderful to better understand how great photographers became truly famous.

A wonderful work of art.

The variety is truely worth looking at, its well edited and makes good reading, good value for the mone, excellanty

Great book! My husband loved it!

Good photo's
