Damned If You Don't (Chaos Of The Covenant Book 5)

Synopsis

Queenie is back and better than ever! Abbey's recent experiences have changed her, but is it for the better? She's learned the truth about the Seraphim, and General Kett's betrayal has left her to wonder if there's anyone outside of the Rejects she can trust. When the Nephilim begin their assault on the Republic, and her daughter is caught in the cross-fire, she'll have no choice but to depend on Captain Mann to do what he can to help. As much as Abbey wants to go home, she has an entire galaxy to protect and a mission whose outcome could determine the fate of trillions: Find the Keeper. Restore the Covenant. Save the Universe. It's all in a day's work for the Rejects. Long live the Queen! Damned If You Don't is the fifth novel in the Chaos of the Covenant series: 1. Hell's Rejects 2. Fire and Brimstone 3. The Devils Do 4. Kill the Queen! 5. Damned If You Don't

Customer Reviews

It flows well from previous books, however it needs too come to a climax I am not a fan of a forever story. While well written I need to see a conclusion Robert Jordan died before his climax. And it became harder to read since the storyline blurred too much. Please finish it and go too a news

adventure. I am 70 years old and want this to diminish before I go to the great beyond.

Another chapter in the rejects saga goes by too quickly. Action packed with twists and turns . Type of book you get in trouble for reading at work. All with a twist on Theology that keep you turning pages to see whats going to happen.

Amazingly good series. I read all night to finish this one. Blood, death, redemption, intrigue, Earth going to hell, rejects from hell. Read this series. One of the best sci-fi that I've read in along time

I really enjoyed this book. The characters were wonderful and exciting. The battles were excellent. I had trouble with putting it down. Please don't wait to long for the next book.

Just finished this one. It was really, really a great read. The ending was awesome. If your a Chaos of the Covenant fan, you need to get this one. If not, get it anyway.

I like the way you tie all of the characters together in these books. They look out for each other all of the time. Can't wait for the next book. Excellent!

Can't wait for the next book in this series . Was hooked from book 1. When this series is done hopefully the story continues in a new series.

I think each book in this series is actually better than the last. The action is almost non stop, and I'm liking the protagonists. While this is not great literature, it is a really fun read.
