Ultimate Easy Guitar Collection

Synopsis

Warner Bros. Publications' new Ultimate Guitar Collection series is an incredible value and a tremendous resource. Each book contains more than 40 easy guitar arrangements---approximately 200 pages in each book! Forty-nine classic songs all arranged in an easy-to-play guitar format, including the most important riffs and musical figures. Music from The Beatles, Bob Seger & The Silver Bullet Band, Boston, David Bowie, Buffalo Springfield, Jimmy Buffett, The Cars, Eric Clapton, Creedence Clearwater Revival, Doobie Brothers, The Eagles, Fleetwood Mac, Grateful Dead, Iron Butterfly, Jethro Tull, Elton John, KISS, Lynyrd Skynyrd, The Mamas and the Papas, Joni Mitchell, Moody Blues, Van Morrison, Pink Floyd, Steely Dan, and many more.

Customer Reviews

Really a great selection of songs. Just wish it had Tablature along with the notation.

A decent book with easy songs.

Great book of songs to learn

Like the selection of songs. I really like classic rock. Some songs are easier than others to play. The font could be bigger, Would like a more alternative rock guitar book with bands from 1990 - 2000

Good book for first timers! That is what I bought it for! But be aware it won't teach you all the details it takes to make a song sound like the original, that's where youtube comes in! This book and youtube together will make a great match for you, they did for me!

I'd say that this book is a step up from beginner. It's much more than just playing chords, and sometimes it seems like the notes go along with the singing more so than they do the actual guitar strumming. These songs have been much easier to play when you play along with the actual song. Make sure you have a capo, as you will need it for some of these songs.

This book I think is very good. It has many of favorite songs in it. They are easy to learn and play. I would recommend purchasing as a starting point to reading music (assuming you have some exposure to reading and playing) and learning some of your all time favorite songs.

For me as a beginner I am only able to recognize about three quarters of the title melodies. Also there are no Tabs if you are used to play using them. However I do like having the cords directly above where they should be played, great for a beginner to use.
