It's Not Just PR: Public Relations In Society

Synopsis

In the second edition of their award-winning book, W. Timothy Coombs and Sherry J. Holladay provide a broad and thorough look at the field of public relations in the world today and assess its positive and negative impact on society. Uses a range of global, contemporary examples, from multi-national corporations through to the non-profit sector Updated to include discussion of new issues, such as the role and limitations of social media; the emergence of Issues Management; how private politics is shaping corporate behavior; and the rise of global activism and the complications of working in a global world Covers the search within the profession for a definition of PR, including the Melbourne Mandate and Barcelona Principles Balanced, well organized, and clearly written by two leading scholars

Customer Reviews

Excellent 2nd edition! Used for the first week of grad seminar to provide background for Communication students who weren't PR majors in undergrad. A great introduction to the field with added value for those already in the profession.

Missing pages.
