Mla Guidelines (Quick Study Academic)

Synopsis

Rules of punctuation, reference citation, structure and format for these commonly used guidelines. Different guidelines will be used depending on the subject area or the professor or teacher. Having a laminated 6-page quick reference handy can speed the writing and editing process allowing the writer to focus on the quality of the paper rather than the structure. Suggested uses:

- Students – Handy reference while writing papers, collect the set of guides you need for your classes to easily switch between styles
- Professors/Teachers – Keep handy while writing for academic journals in your subject area

Book Information

Series: Quick Study Academic

Publisher: QuickStudy; Lam Rfc Cr edition (May 31, 2015)

Language: English

ISBN-10: 142322535X

ISBN-13: 978-1423225355

Product Dimensions: 8.5 x 11 x 0.1 inches

Shipping Weight: 0.3 ounces (View shipping rates and policies)

Average Customer Review: 4.2 out of 5 stars 7 customer reviews

Best Sellers Rank: #26,325 in Books (See Top 100 in Books) #76 in Books > Reference >

Words, Language & Grammar > Grammar #79 in Books > Reference > Words, Language & Grammar > Reference

Customer Reviews

This saved my butt in English Composition two. Without this guide, I would have been screwed this past semester. It has everything you need to know about citing in MLA format. My teacher was impressed they have included information that could be applied to MLA8 format in here as well. After I got an A, I gave mine to her at the end of the semester to help other students.

Works as a good review/overview to help with writing papers.

Good outline.

Great BarChart.

MLA is very complicated. but necessary

great

There is an 8th edition that has some changes. It was published in 2016, so I would wait until this product has been updated to reflect those standards prior to buying it.
