Spice And Wolf, Vol. 4 - Manga

Synopsis

Proud of his skillful transaction in Poroson (with more than a little help from Holo), Lawrence turns his cart toward Ruvinheigen in hopes of swelling his profits. Along the way, Lawrence and Holo meet the shepherdess Norah, whom they engage to "protect" them along the way. As it turns out, though, it isn't wolves from which Lawrence needs protection, but his own ambition. The threat of a merchant's worst nightmare awaits him in Ruvinheigen - bankruptcy!!

Customer Reviews

This volume of the manga takes place at the start of the second book and the second part of the anime. Lawrence and Holo are traveling to Ruvinheigen to sell off the merchandise they acquired in Poroson and end up having some encounters along the way. Thanks to them traveling in this issue, we get to see a bunch of back and forth bantering between Kraft and Holo and it's really amusing to read it, especially when Holo tries to grasp mercantile information. We also get to experience some more back story on Norah that the books didn't cover and makes her character come to life a bit more, especially with the main author being the writer of the novels. Wonderful art work continues bringing the books to life and transitioning the anime to pages. Since they are traveling to a really huge city the art to make it feel realistic needs to be really well drawn and boy do they accomplish that. All the people are created so seamlessly and you can clearly tell the emotions on their face that the artist is trying to convey at the time. Even the outfits and buildings have so much detail that you can things apart. Verdict: More and more I am glad I have purchased these issues of the manga. It's really cool to see the characters come to life on the pages; especially since you can tell the artist

has a bit of their style going into the character drawings. Being a fan of the series in general, I really love reading more story content of the S & W world with the back story of Norah. I definitely recommend this issue to those who have read the manga so far.~ Written: 06-12
Positive:* Stays true to the novel/anime* Holo and Kraft have a bunch of back and forth banter* More Norah back story* Art work shines in this issue with the bigger city
Negative:* This volume doesn't have any minor nudity, even though it still has a warning

The story of these two travelers is about the best, and Nora is beautiful and her dog looks good. The art is perfect in my opinion. The transitions of the days are done smoothly as well

ÃfÂ£Ã Â•Ã Â»ÃfÂ£Ã â Ã â and Lawrence gets help from a person to get through the forest.
ÃfÂ£Ã Â•Ã Â»ÃfÂ£Ã â Ã â always knows when something is not right.

This manga is amazing! I just can't seem to get enough of Holo, she's just so cute and devilish. The item came in just a couple of days and was in perfect condition. Anyone who loves a good quality manga with an addicting story should buy this soon.

Series getting better

Same as the items above. Love the packaging and care put in to these items for my sons Christmas gift!

this price is valuable. I quite enjoy this product. I like to collect kitchen utensils but usually shell out for pots and pans and buy my knives at thrift stores. For the price, this product has been super useful. my sister need it , very well. fast and in time,

Volume 4 of the Spice and Wolf manga series was just as good as 1-3. I also have the light novels and have watched the anime series. The manga does not deviate from the story line or really leave out any major points. I would have given 5 stars except that the mangas are just too short. I could finish the whole book in a few hours.
