publications including the New York Times, Wanderlust and Travel + Leisure.

I have used Footprint guides many times and always look for them. I am delighted that they now do Kindle versions. I have been to Vietnam before, and travelled to 50+ countries, so even though I don't go until January, I can tell how good this is. And how up to date. I wouldn't use this, or any guidebook, for hotel recommendations - I'll go with TripAdvisor or Booking.
