The White Donkey: Terminal Lance

Synopsis

New York Times Bestseller A graphic novel of war and its aftermath. A powerful, compulsively page-turning, vivid, and moving tribute to the experience of war and PTSD, *The White Donkey* tells the story of Abe, a young Marine recruit who experiences the ugly, pedestrian, and often meaningless side of military service in rural Iraq. He enlists in hopes of finding that missing something in his life but comes to find out that it's not quite what he expected. Abe gets more than he bargained for when his journey takes him to the middle east in war-torn Iraq. This is a story about a Marine, written and illustrated by a Marine, and is the first graphic novel about the war in Iraq from a veteran. *The White Donkey* explores the experience of being a Marine, as well as the challenges that veterans face upon their return home, and its raw power will leave you in awe.

Using some of the same characters, he created a more serious and involved graphic novel, *THE WHITE DONKEY*, based on his 2007 deployment in Iraq." — Carolyn Kellogg, The Los Angeles Times "A masterpiece." — Ray Olson, Booklist (starred review)
