On-the-Job Training: Complete Collection

Synopsis

Job training takes on a whole--sexy--new meaning. He wasn't a billionaire with a dungeon full of toys; he was the Dom she'd always wanted. She wasn't a wide-eyed young innocent; she was the submissive he'd always needed. For everyone who thinks they're not young enough, rich enough, or thin enough to have a hot, sexy, BDSM romance—here's a story of D/s in the real world. At 42, John Mackenzie finds himself starting over. He lost his beloved wife to cancer. His mentor, and partner in their architectural firm, suffered a stroke and dies soon after. Jacqueline Deane, the not-so-grieving widow, makes no secret she has designs on John. His exit strategy includes opening a private office in the guest cottage at his home. With new business coming in faster than he ever imagined, John soon needs to hire an assistant. Laura Benson is an empty-nester, her only child in college halfway across the country. Happily divorced, she's looking for a more fulfilling job and dreaming of the kind of passion she's known only in the romance novels she reads. When a mutual friend puts her in contact with John, she jumps at the opportunity for change. During the interview, each feels a spark and John hires Laura on the spot. After fighting their growing attraction to each other as long as they can, they begin to explore building a Dom/sub relationship that works for them. There's only one problem distracting the couple from the euphoria of their new relationship. Someone in the Deane & Mackenzie office is altering John's job orders and substituting dangerously substandard materials and forging his signature on them. Before disaster strikes, John begins his search for the culprit while Laura contends with the platinum blonde shark—Jacqueline. This collection contains all three of the serial episodes PLUS the holiday-themed short story "Christmas Bonus" **WARNING:** This title contains explicit sexual content and is intended for adults only.
