The Misadventures Of Salem Hyde: Book One: Spelling Trouble

Synopsis

Salem Hyde just isn't like other kids. For one thing, she's stubborn, independent, and impulsive. For another, she's a witch. Salem acts first and thinks later; which means most of her thinking involves coming up with excuses! Good thing she's been assigned an animal companion, Lord Percival J. Whamsford III. This over-anxious cat doesn't like Salem calling him 'Whammy,' and Salem doesn't like listening to his long-winded explanations as to why she shouldn't do something . . . like enter the class spelling bee. Salem knows she can beat all her classmates at spells, no problem. Too late, she realizes the competition is about spelling words, not magic. And there's nothing like a misspelled spell to cause all kinds of havoc!
 Praise for *The Misadventures of Salem Hyde: Book One*
 STARRED REVIEWS "A fledgling witch receives necessary guidance from a talking cat in this utterly adorable page-turner; A delightful buddy story and an auspicious series opener; be sure to make room on shelves for Salem and Whammy."
 Kirkus Reviews, starred review "It's just about the perfect story for comics-loving fathers to read with their comics-loving daughters."
 Publishers Weekly, starred review "Cammuso evokes both the sarcastic spunk and gentle warmth of Calvin and Hobbes in this humorous tale of unlikely pals."
 The Bulletin of The Center for Children's Books "Young readers will eat up Cammuso's (Otto's Orange Day, 2008) action-packed panels, full of cartoonish antics, silly puns, and playful slapstick humor."
 Booklist "The humor, appealing artwork, and underlying message of friendship will attract readers."

Customer Reviews

Young witch Salem Hyde wants to win the spelling bee and be crowned the spelling queen, but when she accidentally turns the school's crossing guard into a dinosaur, she knows she needs help with her spells (and, coincidentally, her spelling). Enter Percival J. Whamsford III, a cat who has helped many witches over the past 800 years, and he still has five lives left. But Salem is a challenge: she flies on a vacuum cleaner, she's impatient and impulsive, and she gets her spells just wrong enough to cause big havoc. For instance, when Salem casts a spell to win the school spelling bee, misspelled words come to life, turning the teacher whose "constant lecturing made him a bore" into a garbage-munching boar. Can Whammy help Salem put things back to normal before Mr. Fink gets her expelled? And can Salem learn to be a great witch after all? Young readers will eat up Cammuso's (Otto's Orange Day, 2008) action-packed panels, full of cartoonish antics, silly puns, and playful slapstick humor. Grades 3-5.

--Kat Kan --This text refers to the Hardcover edition.

"Irony, dead-pan, and slapstick humor balance the warm sincerity and vulnerability of the characters in this brilliant debut volume of this easy-reader series in comic book format." (Language Arts 2014-09-01) --This text refers to the Hardcover edition.

My daughter's name is Salem so when she found a series with her name in it at the library she was hooked! She asked for the whole series for Christmas so that is why I bought them. They are written kind of like a comic book, not the traditional chapter or story book. so just FYI. I haven't not read the stories myself but she is 6 and does just fine with them.

Salem Hyde is a new character on the young reader scene, and this book has wonderful characters, a fun, dramatic problem and a great lesson to be learned. The interactions between Salem and his new "counsel" are hilarious. My kids really enjoyed reading this book, right after I finished it myself!

Salem is a witch and she needs help with spelling and spell casting she entered a spelling bee she

thought it was a spell casting contest she found out it was spelling and she couldn't back out she cast a spell that made misspelled words appear in the real life form she hurried to fix her mistakes with glue before the principal saw and she did

Very enjoyable. It's not often you see a graphic novel that's so focused on situational humor, but here it is. Will look for more "Salem Hyde" books in the series.

A graphic novel. My third grade granddaughter absolutely loved it!

Very good book I would definitely recommend it. We can't wait for the other book to come out. The kids also love the other books that this author has "knights of the lunch table" those are great books!

We love reading this as a family. My kinder and 4th grade sons are always entertained.

Absolutely, too cute. Glad to know all 'Witches' do not have it together. tehe!
