Cengage Advantage Books: Drawing Basics (Thomson Advantage Books)

Synopsis

Solidly grounded in a student-friendly learning process, DRAWING BASICS provides a thorough yet simple approach to drawing from observation by breaking down the process into basic elements and essential disciplinary practices. Through a series of carefully structured Basic Drawing Exercises students develop progressively more complex skills that provide a strong foundation in drawing from observation and set the stage for future development of personal expression. Student examples provide inspiration and motivation and offer attainable goals.

Jacklyn St. Aubyn teaches drawing and painting at New Mexico State University. She lives and works in Las Cruces, New Mexico and exhibits her work professionally.

I had to get this book for an art class I took for a general education credit. I was thinking "What kind of textbook is a Drawing text book?" I was extremely surprised and pleased when I started paging through my book it was great! It started off slow and increased my confidence in my own drawing.

Still have it and I didn't sell it back too good to sell back :)

Awesome thanks!

Good Shape

just what i needed
