Customer Reviews

Wanderlust Travel Awards 2009 – 2014 "This [DK Eyewitness Travel: Top 10] might be the best traveling companion to throw in your pack. It's a slim and sleek overview loaded with practical and useful content." – Gadling.com "Known for its four-color maps, photos

and illustrations, the [DK] Eyewitness Guides are extremely user-friendly for travelers who want their information delivered in a concise, visual way." — Chicago Tribune "The best option — Color photos, maps, and diagrams bring the place to life." — The Philadelphia Inquirer

About DK Eyewitness Travel Guides: For more than two decades, DK Eyewitness Travel Guides have helped travelers experience the world through the history, art, architecture, and culture of their destinations. Expert travel writers and researchers provide independent editorial advice, recommendations, and reviews. With guidebooks to hundreds of places around the globe available in print and digital formats, DK Eyewitness Travel Guides show travelers how they can discover more.

I love Eyewitness Guides and have been using them for years. The only reason I gave it four stars is that the pages are shiny and create a glare that makes it difficult to see under certain lights. Also, there's a lot of information packed in these books so the print is pretty small.

This book was easy to use, I referred to the pull out map frequently which was small enough to slip into my purse.

My wife and I spent a week in Malta and this book traveled everywhere with us. Easy, quick and indispensable, the only way to see all the important parts of the Country.

Excellent tool for planning and executing my visit!

A lot of information in a little book. Small enough to keep in a purse but nice pull-out maps.

This is a very nice little book that features the things that you'll want to see the first time around and also provides a couple of nice maps that you can take out and slip into your pocket. It goes into enough detail so that you have some idea what you're looking at, but not so much detail that you end up with a guidebook that makes you list to one side when you carry it in your bag. Everything was accurate and I found it a great help.

This travel was worth it.

Eyewitness always excellent.
