## Customer Reviews

Such a great book if you like exploring the back roads on the oregon coast! Some info may be slightly outdated bit it's a great start for many fun adventures! This is the second copy I have bought. (This time as a Christmas gift)

We've found lots of books on hiking trails, camping, sporting areas but few on scenic drives. When you have car bound infants, handicapped individuals or seniors, sometimes you just want to take a lovely drive. This is perfect! Very descriptive, detailed and thorough. This is a new favorite tour guide!

a gift for a friend and he loved it.

I got it to keep in the car along with the camera for maps, and ideas works great. Waterfalls are my favorite.

I was a bit surprised that this great tour book hasn't had any reviews yet. Mr. Baake really knows the area he's written about, and gives us the readers all the information we need to get out there and enjoy lot's of cool places. This book will help you get out and HAVE FUN!!! Try some of Tom Baake's other offerings in paperback, I heard a rumor that he's written a new book about touring the South Coast by bike that should be very good! Cheers!
