Customer Reviews

It had been a long time since I first saw a copy of Scrubs on Skates. I grew up in Winnipeg and went to Daniel Mac, the school the protagonist is forced to transfer from. As a kid, I just thought everybody had books that were set in their community. Some 25 years later, as a teacher in Canada's Nunavut Territory, I rediscovered how great this book is through the eyes of my students. It is the classic root for the under dog/coming of age tale. The characters are well written, the plot engaging, and it is still an enjoyable read. And I must confess to getting a thrill from the fact that it is set not just in the city but in the actual neighborhood that I grew up in. Excellent work from rocker Neil Young's daddy Scott. I highly recommend this book.

This book shaped my adolescence. It's "under dog wins the day" theme combined with its innocent context made this my favourite book as a child. I highly recommend it to all young readers.
