Customer Reviews

Best Easy Day Hikes Tampa Bay includes detailed maps and concise descriptions for twenty easy-to-follow hikes on the central Florida Gulf Coast: Tampa, St. Petersburg, and the surrounding area. Explore the junglesque floodplain forest of the Hillsborough River basin, hike along the Gulf or amid the palmy interior of Caladesi Island State Park, or discover the past at Weedon Island. Look inside for: [One-hour strolls to half-day adventures](#) [Mile-by-mile directions](#) [Trail Finder for best hikes with dogs, children, nature, rivers, lakes, and the ocean](#) [GPS coordinates](#)

Johnny Molloy is an outdoor writer based in Tennessee. He has averaged over one hundred nights in the wild per year since the early 1980s, backpacking and canoe camping throughout the country, in nearly every state. The result of his efforts are numerous books, including hiking guides to Virginia, West Virginia, Tennessee as well as tent camping guides to Colorado, Wisconsin, Tennessee, the Carolinas, Georgia, and the Smokies. He continues to write and travel extensively to all four corners of the United States, endeavoring in a variety of outdoor pursuits. For the latest on

Molloy, visit www.johnnymolloy.com.

Do not buy this book. It has out of date trails that are overgrown and you will be either lost or behind a trailer park in BFE.

This is a very nice, simple book containing detailed information and a map of all the hikes. It's small and light enough to put in your pocket and hike with it; and I'm not one who likes to carry much on a hike. I bought two more as gifts. These are all pretty easy hikes, but fun and with diverse habitats and wildlife to enjoy.

very complete & detailed, with a wide range of hiking itineraries, used it extensively to select & set up hikes on recent Florida vist

I will be visiting and wanted to get a book or two that would have easy hikes and walks. Nice book with maps and trails descriptions.

We keep this handy book around when we have a day off. It's nice to see what's in the area without doing too much research online.

The only reason I did not give this 5 stars is that it omits beach walks and bay-front park walks, which are the best of Tampa Bay area walking. This book is small and light enough to take along on your hike - very handy. The organization is excellent - distance, hiking time, and difficulty are always given, along with notes about such things as trail surface, fees, maps, whether dogs are allowed, etc. The locator map and individual trail maps are excellent. Driving directions include the trail head GPS coordinates - VERY handy for remote locations where a street address does not exist or is not marked. And you can plug their exact GPS coordinate syntax into Google Maps and see not only a map, but a satellite view of the trail head. After years of experience with various hiking books with faults such as the lack of a locator map, obscure directions, and lack of detail about difficulty or trail surface, I am very impressed with the small, handy volume.
