## Customer Reviews

Trek along with writer Kim Nilsen through northern New Hampshire as you've never seen it before, along the newly developed Cohos Trail. It's an adventure replete with old logging trails, lost backcountry paths, forgotten ridge runs all linked together to accord the best the North Country has to offer. For trailblazer Nilsen, the creation of the Cohos Trail is the fulfillment of a 20-year dream. For his readers, it's a treat right out of the guidebooks of the past. He weaves lore of the north with up-close encounters with such natural treasures as Baldhead and Mt. Muis, Kelsey Notch, Huntington Cascade, Saguinary Mountain, and scores of other fabled places. Kim Nilsen has put together a book which will be welcomed by anyone who dreams of leaving the well-traveled byways in search of places where the true North Country can still be found in its original state.
