# The Kuala Lumpur Guide For Digital Nomads: Handbook For Connected Travelers In Malaysia (City Guides For Digital Nomads 7)

## Synopsis

I am Barbara Riedel, and I have been living as a digital nomad since 2014. As a travel blogger, I have moved a lot in the last few years, and I am always searching for places to work, information about internet (Wi-Fi or mobile) and so on. That's why I started a new category on my blog, Barbaralicious, called "digital nomad destinations." These blog posts contain general information for digital nomads that enable a smooth start in a new country. After writing digital nomad destination posts for a while, I began to think something more detailed would be nice. I wrote my first Digital Nomads Guide about my second home town — Palermo. I've chosen Kuala Lumpur for my seventh guide because it's one of Asia's main visa run destinations. But it's also a nice place to stay for a while, and it's a shame that most digital nomads don't even visit the city but instead stay at the airport hotel. That's why I chose to introduce you to this multi-cultural city that I have been happy to explore during my two stays. Even if you're staying for just a few days, with this guide, you will be able to use that time to its fullest. You will learn about the best places to work, sleep and eat — and therefore have more time to do things that are more important than searching for those spots yourself.

## Book Information

File Size: 2361 KB

Print Length: 31 pages

Publication Date: July 30, 2017

Sold by: Digital Services LLC

Language: English

ASIN: B074DT1T1K

Text-to-Speech: Enabled

X-Ray: Not Enabled

Word Wise: Enabled

Lending: Not Enabled

Screen Reader: Supported

Enhanced Typesetting: Enabled

Best Sellers Rank: #430,335 Paid in Kindle Store (See Top 100 Paid in Kindle Store) #11 in Books > Travel > Asia > Malaysia & Brunei #23 in Kindle Store > Kindle eBooks > Nonfiction > Travel > Specialty Travel > Business Travel #62 in Books > Travel > Specialty
