Beyond The Victoria Falls: Forays Into Zambia, Zimbabwe, Botswana And Namibia

Synopsis

The sheer enormity and power of the Victoria Falls never fails to humble its visitors. Adventure junkies flock here for the thrills the mighty Zambezi River offers, while others are content simply to marvel at the unrivalled wonder of the place. Although this curtain of water is the major attraction of the area, there is much more to enjoy in the vicinity.

Customer Reviews

The Big 5 animals and more; the smoking Victoria Falls; the many tented camps while on safari; the people of Botswana, Zimbabwe and Zambia. The Chobe National Park, The Hwange Park, The Moremi Park, Kafue Park, The Okavango Delta, What more could want? It is all in the "Beyond the Victoria Falls". We are much better prepared for our trip to the area this summer as the result of reading (and studying) the book.

I ordered the book hoping for more history and cultural information. ...it was more for people touring independently. It did not meet my needs...but if you are going there without a prearranged tour it is a good guide book...

Very good description as to what is available within short distances from Victoria Falls.
