great mini - map. now if only there were more street signs (that I could find) in Marrakech

Love this map. It turned out to be so handy while in Marrakesh on our own. It's pocket-sized and very compact, so is easy to carry around, and the pop-out feature works great. Wish we could find similar maps for other big international cities we plan to visit. I should clarify, they do make many pop-out maps for other cities, but unfortunately not many that we'd like to purchase. This is a great concept for a pocket map, so we will definitely buy any others that fit our travel plans.

This small size map allowed us to discretely pull out a map from our pocket and look quickly. In a place where stopping for too long often results in someone trying to sell you something, this is quite valuable!

We just left Marrakech after visiting the area for a week. This little map was GREAT! So easy to carry. So easy to use. I hope many more of these are produced for cities around the world

Nice map

Nice looking, good quality, but I can barely see the text - it is not very usable and I do not wear glasses. I did buy a magnifying glass, so perhaps that will help.
