Good

There are some terrific recipes in this book. I am sending it as a Christmas gift to siblings.

This book is illustrated with nice pictures, well designed and written, I would add this book to my collection without hesitation.

Spotted this on a friends' shelf and thought it would make a nice gift for my wife. We've not tried any of the recipes within yet, but the book is very nicely presented and covers most of Central Europe too, which is a boon.
