Customer Reviews

Wallpaper* City Guides are compiled by the magazine's travel experts, both by in-house editors, and correspondents who actually live in the highlighted cities, providing up-to-the-minute information.

It's a pretty book and pocket-sized, but useless for travel. Most of it is taken up with hotels that you're not likely to stay in, and attractions that aren't mainstream. Not recommended.

bad

for my husband, Very well crafted bread product that is friendly on the wrists and hands. Would recommend to others and purchase again. Great buy at this price. arrive on time. very well. recommend it to my friend.
