Old Mother Goose bears another look in this collection of favorites by acclaimed illustrator Michael Hague. Hague has taken 55 Mother Goose classics and turned them into bear-y tales! Suddenly it's "Rub-a-dub-dub, / Three bears in a tub..." and "There was a crooked bear, / And he went a crooked mile...." Illustrated throughout with bears, bears, and more bears, Teddy Bears' Mother Goose is a charming twist on a childhood standard. Kids familiar with "Little Miss Muffet," "The Old Lady Who Lived in a Shoe," and "Hush-a-bye Baby" will giggle to see teddy bears in the starring roles instead. Cozy illustrations in pen, ink, watercolor, and pencil invite young readers to curl up with a favorite teddy bear or two for a read-aloud evening. Fans of Hague's many picture books, including The

Velveteen Rabbit and The Wind in the Willows will be thrilled to add another title to their collection.
(Ages 4 to 8) --Emilie Coulter

The bears in Michael Hague's The Teddy Bears' Picnic are back for Teddy Bears' Mother Goose. Some of the rhymes are changed accordingly, as in "Hush-a-bye, teddy..." and "There was an old bear who lived in a shoe....," and Hague draws most of the bears as children. I bought the mother goose book and it downloaded to my kindle as the Ten bears book. The cover shows mother goose and when I click on it, the Ten bears opens! Just wanted to warn those buying the kindle book. The author appears to have uploaded the wrong content! The sample book looked so cute and I'm really disappointed that it downloaded the wrong content. I'll revise this review once it gets fixed!UPDATE:Ok, finally got this resolved! Was on the phone for 40 minutes with customer rep. Felt kinda bad for her, this book was just not cooperating. Finally got it to work now.Updated the review from one star to three stars. Two stars for the kindle edition problems and the hassle and 4 stars for the book itself, which is nicely illustrated.For those having problems, delete the book from all devices, then redownload it from the cloud. The author seems to have posted an update now. If that doesn't work, contact customer service and they can either send it again directly to your kindle or provide a refund. Don't think I'll be buying more books from this author. This was a major pain to deal with. Sorry for those of you having problems with this too!

Downloaded to Kindle HDX - format shows 2-pages per screen, which is too small. Not even worth \$1. If it were formatted 1 page per screen, it would be great.

I expected a more indepth group of nurse y rhymes. not much substance. waste of money. it could have had more..

Delightful to look at, delightful to hold, but when I read the blurb, We had to mark it "Sold" !

The content of the book is fine. Pleasant renditions of Mother Goose rhymes with Teddy Bear twists and illustrations (which are very nice)My issue is with the Kindle Formatting. It shows two pages at a time which becomes hard to read on a smartphone like the Galaxy Nexus. It may be better suited for a tablet or the Kindle device itself but since it's available for the Kindle App, it should work there

too. Also, it is not compatible with the Kindle for PC app which means I can not read it on my computer screen.
