Visited and tasted olive oils and balsamics at a wonderful store in Stanton Virginia. This book was on display but not available for purchase. Immediately went to [Amazon](#) and purchased copies for my

daughter and myself. Excellent reference and history of the oils and balsamics; even recipes are included.

I love the infused olive oil and vinegar concept, but after tasting and purchasing them I would forget what to do with them. This book is wonderful for using them. I also have tried new flavors because of this book. Love it
