Jack Canfield and Mark Victor Hansen are co-founders of Chicken Soup for the Soul. Amy Newmark is publisher and editor-in-chief of Chicken Soup for the Soul.

I bought this for my son who is almost 11. He's had a history of getting bullied at school quite a bit and has put up a hard shell exterior to 'protect' himself. I was hoping this book would have some stories in it to help him deal with this. I didn't know if he'd read it so I told him we could read it together, one or two stories at a time at night. We did that for a few days. One day he told me he'd finished the book. He just kept reading it. He does love to read. He said it made him feel good that

he wasn't the only kid to be going through this stuff. He seemed lighter afterward. Now he wants to read the teen book I got for his older brother. I think this book made tween life just a little more bearable for my son. That is so worth it. And, he can read it over and over again as he feels he needs it.

My granddaughter is 9 and reads above grade level but this book, while containing wonderful stories, is written for someone well into their teens rather than pre-teen.

This is a birthday gift for my granddaughter who will be turning 11 in a few days. I looked through this book and I think she will be very pleased with it. She is getting into that stage when peer pressure is becoming more important to her, and since she will be entering middle school in the fall, perhaps she will feel a little more at ease reading the stories in this book..

Bought this for my niece who just turned 11 and she loves it.

This was a gift for an 11 year old. She was happy with it.

Probably for middle school age kids. My 4th grader felt that these stories weren't for him quite yet.

KNOW IT HAS A LOT OF GOOD IDEAS AND PLANS.

Good book.interesting
