The Journal And Major Essays Of John Woolman

Synopsis

The secret of Woolman's purity of style is that his eye is single, and that conscience dictated his words. This Quaker preacher and tailor was a man of wisdom and true philosophy. These pages are filled with insight and messages for our time. A major classic of American spirituality.

Customer Reviews

"The only American book I ever read twice was the Journal of John Woolman, a Quaker preacher and tailor . . ." --Charles Lamb

Now retired, Phillips P. Moulton was Visiting Scholar at the University of Michigan and was Professor of Philosophy at Adrian College; he twice held the T. Wistar Brown Fellowship in Quaker Studies at Haverford College. He has published many articles on John Woolman and other subjects in professional and religious journals.

No problem with this order whatsoever. Arrived on time in great condition. I'm happy.

Great inspirational read...

A classic in Christian engagement with the world, by a Quaker minister best known for his role in convincing others in the Society of Friends - as individuals and as a group - to withdraw from the

slave trade and stop holding slaves. Woolman also contributed insights into the nature of war and conflict, wealth and simplicity, right livelihood and spiritual humility. This is the definitive edition - as in, this is the one that scholars and serious readers want, with a solid introduction, explanatory footnotes, and notes on which passages were changed along the way. Woolman based his Journal on personal diaries, rewriting and editing it with his Quaker audience foremost in mind. His essays apparently were aimed for a wider audience; they show his familiarity with Enlightenment trends that many Friends ignored. The essays "On Keeping Negroes" and "A Plea for the Poor" are included in this edition. After his death in 1772, the Journal has passed through the hands of a succession of editors, including Quaker poet and abolitionist John Greenleaf Whittier, whose edition can be found on the web. From one generation to the next, Friends and others have rediscovered John Woolman and cherished his sweet reflections on human relations and Divine leading.
