# Their Stolen Bride (Bridgewater Menage Series Book 7)

## Synopsis

Being the daughter of a Butte copper king won't buy Mary Millard happiness, especially when she discovers her father's plan to marry her to a cruel man. Desperate, Mary makes an arrangement with a man she meets on a train: pretend to be my intended so I can delay the inevitable. But little does she know it isn't one man who will save her, but two. Parker and Sully know the second they meet a beautiful passenger on the train to Butte that she will be their bride. They expected to court her properly, to acclimate to the unusual custom of being the wife of two men. Instead, she turns to them with an insane scheme to protect herself from a man they know to be anything but kind. But a fiancé won't protect her from a bad marriage. Only a husband can do that. When Mary weds her Bridgewater men, she learns that while she has two big cowboys to protect her from her past, it's possible she has the power to save them right back. Bridgewater: Where menage meets marriage. ## Customer Reviews

I enjoyed this addition to the Bridgewater Menage Series where we meet Sully and Parker, along with copper heiress, Mary Millard on a train heading to Butte, Montana. Mary knows her father has plans for her to marry Reginald Benson, another copper mine owner. With this marriage, it would merge the two largest copper mines. Mary is so repulsed by Benson and knows of his cruel proclivities. What will happen when she ask her train mates for help and protection from her father and Benson? What starts as a lie to keep her safe, will, in fact, become the truth before the night is out. The plot has two men, Sully and Parker, on their way to join fellow soldiers and friends at Bridgewater. Meeting Mary Millard on the train became their destiny. The men in Bridgewater, marry and then jointly share a wife, and Sully and Parker agree that Mary will be their wife. Throw in a brothel, a virgin who knows more about sex, positions, and language along with whores as friends add a touch of unexpected humor to this erotic tale For Mary it was dark and carnal and wrong, and yet it felt wonderful. When danger threatens their woman, Sully, Parker, and the other men at Bridgewater will do whatever it takes to keep her safe. Mary will have to learn to have faith and trust in her men, with her life, her heart, and her body. The Bridgewater Menage Series is a continuation of various men and women that all become part of this compound or mini-town. Each story reads as a standalone and will have various people from previous stories. There is a great cast of characters and situations that will keep the pages turning.

Mary was to be used as a pawn for her father's business. She was to married to Mr. Benson, an evil man. However, she has two saviors in Mr. Corbin and Mr. Sullivan. The only catch, Mary is unaware she wasn't just marrying Sully, but both Sully and Parker. Though Mary is a virgin, but not completely innocent after spending time spying in a brothel, is two men too much? This story is hot, there is nothing unclear about who controls the relationship. Mary's gift to her husbands isn't anything money could buy. Love the Bridgewater series, love the characters, the story and the submission. Great read as usual.

This series is a hot straight forward read and I love them. I've said it before and I say it again; this is purely for entertainment and it's 5 hot stars entertainment. The writing style is easygoing and filled with dialogues, in addition it's not full of unnecessary descriptions of surroundings so it's a great

read. There are protective alpha males and sweet females (but not without brains), it's ménage à trois at its best in my opinion. But if you're looking for very serious topics and learning experiences you don't want to read this. If you're looking for an entertaining, fun, hot read, carry on.....

While each book is a standalone, I recommend reading the series from the beginning as it allows you to have glimpses of your favorite families as you are introduced to new characters. Bridgewater is a unique town where the men know who and what they want and the women quickly learn that while one is great, two is even better and much more satisfying. Do yourself a favor and escape for an afternoon/evening to what has become one of my favorite western towns.

Mary is desperate to escape an arranged marriage, and when she meets Sully and Parker, her life changes in a heartbeat. Sparks fly...there's lots of passion, danger and entertaining characters.

I recently finished the Bridgewater series. It is an awesome, fantastic series. All of the books have spanking and sexy men who love their brides. Wonderful author.. can wait for the next series.

Everything you want in a ménage à trois! The characters are well rounded and passionate. The storyline intriguing and fun. Playful yet sexy. HEA at the end... Like a cherry on top!

Redundant. New names, same story. If you have read the others, save your money. If you like reading steamy ménage then any one of the stories will suffice.
