National Geographic Driving Guide To America, Southwest (NG Driving Guides)

Synopsis

This guide offers 20 driving itineraries, selected and driven by a National Geographic regional travel writer, showcasing the best the area has to offer. Whether you are discovering the beauty of Cedar Breaks National Monument or working on developing your own inner beauty at Sedona, there is something for everyone in this book. It is perfect for the casual weekend or for weeks-long vacations filled with detailed driving and site information, entertaining stories and regional lore, as well as useful travel tips. Beautifully illustrated in colour throughout, the book displays the same map, picture, and production quality that readers have come to expect from National Geographic publications. The fresh new look includes a redesigned cover, restyled interiors, updated text and maps, and new sites and photographs. Plus, eight additional pages will provide information on lodgings and restaurants in the major towns and cities.

Customer Reviews

As advertised and shipped quick.

Love this book and the entire set of the United States.

very old map, very outdated but it is as it was advertised...too bad here is not a current version of this map

Very helpful...pictures are colorful..restraunts- playgroundsrestareas.....roadside stands etc....all need to be updated along with road construction. But really Avery helpful and informative booklet.

great for short or long trips

great maps

These travel books are great. Give you great advice on things to see and do

Love this book. it will help me plan my next trip. Great pics and lots of information about the states.
