Mead Mountain: A Matthew 17:20 Story

Synopsis

Mead Mountain is changing Christian fiction. Over 400 five-star reviews in the first three months is rare for a Christian novel, but for a debut novel from an unknown author, it's unbelievable! See for yourself what all the fuss is about. Read the book that many are calling life-changing!

Riley Ellison is in love. World-famous Christian leader and bestselling author, Riley Ellison invites the press to join him in exactly two weeks, at which time he will tell Mead Mountain to move on live television, and in accordance with the promises revealed in Scripture, he claims it will move. The lines are drawn and everyone must choose a side. If the mountain moves at Ellison's command, no one could reasonably continue to doubt God's existence, and America will enter into the next Great Awakening. If it does not move, pews will be emptied, believers will be shamed into silence, and the faithful will be made a laughingstock worldwide. In the meantime, Ellison continues to do what he always does: attempt to shine Christ's joy into a dark and broken world. He encounters a gun-toting drunk, a God-hating celebrity, and a desperate woman trying to save the life of her son. Will Ellison's relentless pursuit to emulate Jesus act as a transforming force in the lives around him, or will the horrendous pain of this world cause Riley's spark to finally burn out? And will any of it be enough to overcome the biases of the reporter assigned to his story? It will take a miracle. "...One of the most uplifting and beautiful books I've ever read. This book is filled with the name of Jesus Christ and totally shows God's glory..." "...Best Christian fiction I have read! The book is riveting, thought provoking, and relevant to today..." "...I like Christian fiction, but it often follows a formula. This book breaks that mold, and will change your heart if you let it..." "...It was a story I will want to read again and there will be underlined parts in red..." "...This book took my breath away and made my heart swell. So many beautiful examples of what would happen if we lived out Christ-like love..." "...A real encouragement to me as a Christian, we must not lose hope in a world that seems to be falling apart. Our Heavenly Father sees all and is in complete control of our circumstances. Wow, the call to love is so real and we are able to love thru Christ!..." "...I doubt my little review will mean much, but if you are in a place where you feel God does not hear your prayers, read it..." "...I'll be thinking about this one for a long time..." "...Whatever you think is going to happen to that mountain, you'll be surprised..."

Wonderful story of the same type of people one hears about everyday....maybe even are one. Folks fighting sin but not labelling it sin....it is just them stuck and too afraid to take hold of the answers they truly seek. God can and is working in their life if only.....a mountain would move! Good read. Kept my interest. Likable characters who were well developed. Recommended read!

Best Christian fiction I have read! The book is riveting, thought provoking, and relevant to today. I'm going to buy the hard copy because I want to pass it along to others.

I feel this book is onr that genuinely shows the true nature of humankind. We all struggle with out beliefs and feel defeat and agony. Mead Mountain shows us we are not alone. God is always with us, loving us, and holding us in the palm of God's hand.

Gripping novel that gives great insight to the human condition and our faith in God. The way is narrow and few will find it...even if the mountain moves. I am an avid reader of Christian Fiction and was so excited to see this new book with 5 star reviews. I wasn't disappointed and will be sharing with friends. I'll be thinking about this one for a long time. Today, I plan to buy a mustard seed and

tie a string around my finger.

I would recommend this book to everyone! It was a story I will want to read again and there will be underlined parts in red. I liked that important truths were emphasized by examples from real people's lives in all their pain, suffering and then joy.

Just finished "Mead Mountain" by B.K. Dell. A great read. I felt as though I was entering into the heart and mind of each character. B. K. Dell does a beautiful job of depicting events, using his words like an artist would use a paintbrush. The Gospel is woven in seamlessly into a very believable narrative. Each page brought the question "what's going to happen next"? I couldn't put the book down. More than once, I was brought to tears. More than once I smiled with joy. Dell is a gifted writer. I wait with anticipation for the next page-turner that will come from his creative mind.

Great read. Kept my interest from the beginning to the end. As a Christian, it is giving me a lot to think about.

I read all the time but this the best book I've read lately. As an Intercessors and military veteran I love this country would love to see it restored to God. I have recommended this book to all my friends and family.
