Customer Reviews

Grandson loved it.

Our twins love PJ Masks, and love reading/beig read to. These are great books for their age (4, going on 5).

I bought for a 2 year old, and I think it is meant for a little older audience, but other than that, it was great!

Picture quality and story are fine. Books have a kind of strong smell which I do not appreciate...

Reading this to my Grandsons was so cool. They Love PJ Max

Great book to keep kids interested.

Great story about working together!

My 2 year old son loves this book!
