The Laws Of Music (Love Is A Destination Book 1)

Synopsis

She has strict rules about dating. Max Legend breaks them all. Katie Green has big dreams. She's had them since she can remember and she has the lists to prove it. They include: ☐ Go to college. ☐ Graduate. ☐ Go to law school. ☐ Graduate. ☐ Don't date musicians! Become a lawyer. Marry. ☐ Stay married. ☐ Become partner at a law firm. ☐ Have three children. ☐ Buy a home. ☐ Raise children. ☐ Stay married. ☐ Be a good mom. She's accomplished the first four goals on her list and has no doubt the rest will be accomplished soon. Max Legend is the lead singer of a popular Christian rock band. He's kind, talented, and beyond gorgeous. He's also sure of his destiny, which includes sharing the good news of God's love through music. Someday he hopes to find an amazing woman willing to love him for who he is and what he does. Katie and Max meet one fateful night at The Attic, a club where Max's band is performing. After a surprising and amazing kiss, they go their separate ways. But their meeting was obviously divine intervention. They are continuously running into each other. Rather quickly they get to know one another, but Katie won't accept that there is anything more than friendship between her and Max. Can Katie break her dating rules and follow her heart or are she and Max destined to be nothing more than a one hit wonder? The Love is a Destination series doesn't have to be read in order. Each couple gets their happily ever after before THE END. But reading in order does make the experience more fun.

Wonderful! A very engaging story! Sweet romance, but why does it take being almost 30 to get it together? Its like you are old before you even start to live. Hardly young love at that point.

Katie Green has always followed her path and had strict rules for her life. She was just out of law school, looking for a job, and engaged to be married to Bentley, Check, check, check. Everything changed when she couldn't find a job and her engagement ends when she found out that her fiancé was cheating on her. She had also vowed never to date a musician. That changed when she met Max Legend, the lead singer in a Christian band. He is everything her fiancé wasn't, and she seems to keep running into Max everywhere. She agrees to be friends, but nothing more. He is also there when Katie's best friend Birdy, also a high school friend to Max, is accused of murdering Bentley. Faith in God and each other guide the story through to conclusion. As a fairly new reader of Ms. Morgan's books, I look forward to reading more of her stories.

This was a quick read that was clean and upbeat. I like the way the author includes faith without knocking anyone over the head with it. It seems the lawyer in Katie and the musician in Max would never be able to come to an agreement but it makes for a great story. I like that there's an emphasis on friendship and family. Forgiveness for past mistakes and taking a person for who they are now. It'll be interesting to see where this series goes.

This was an enjoyable read by a new author for me. It's a sweet, feel-good story that left me with a feeling that things do turn out for the best, and that lives are linked for a purpose. The story had a good flow with developed characters and kept me engrossed until the end. Would recommend this book and look forward to the next one in this series.

Interesting book. I liked the premise and that the characters kept running into each other and had deep ties (a lot of them went to the same highschool... And wow, what a highschool it must have been). I LOVED the part in Maui. I felt like the story ended a little abruptly, but I guess there's motivation to read the rest of the books in the series. All in all, pretty clean, sweet book, with some focus on Christian themes

I really enjoyed this book. A sweet, clean, romantic read with christian aspects. Loved the slow courtship, really getting to know each other. There was a mystery thrown in - liked that too. Liked it so much I want to read book 2.

This story shows how sometimes we are ready settle for almost good enough because we are afraid to wait for the best for us. She puts up with her fiancée of a year even though deep down she has the knowledge that things are not working between them. This story has lots of depth to it and is a very enjoyable read.

A very sweet story. I was pleased that it stayed sweet. The only criticism was it was wrapped up too quickly. Really loved the main characters.
