Wonderful book and layout. I highly recommend it if you are going to Japan, gives you a better idea of what the cities are like.

Informative with great photos. Only complaint is that the print's too small. Includes a lot of web addresses which is very helpful.

We bought this book and took it with us for a trip to Japan. It was our companion and guide with great ideas for individual tours, and to learn what to do on each city we visited. That book and a Shinkansen Pass are a must if you travel to Japan. This book is worth every penny! I highly recommend it.

this book is very informative and has beautiful colored pictures. Definitely worth the money.

Great pictures. Makes you want to be there

Well organized. Photos very helpful

This was a gift but I had seen other DK Eyewitness Travel Guides.

Very thorough, the only book I'll need for this trip.
