Flora Chang was born in Taipei, Taiwan. She graduated in 2001 from the Academy of Art University in San Francisco with an MFA degree in graphic design. She lives and works in Kansas City as a full-time designer and illustrator making children's products.

A really great book. LOVED the book! I would have given it 5 stars, but on opening the box, it had a little scratch across the front. I debated whether or not to send it back, but it was a present for my 8 mos old grandson and I didn't have time to get another. He LOVED the book too!

My baby can't stop smiling whenever we read this book. Owl face with big contrasting eyes is her favorite.

This is one of the first books my baby was very interested in. He loves the colors, the animals, and seeing his reflection in the mirror at the end! It's also easy for him to turn the pages himself because of the shape. I highly recommend!
