The Superior Person's Book Of Words

Synopsis

A dictionary for those who perceive a difference, a handbook for Superior Persons who love words. Are you an Anglophile? (Stout fellow!) Just stand at this springboard and leave the fields of popinjay jabber and tongue-stumped battology behind forever! Step up for big dividends in the giddy heights of superior speech. Are you a rasorial searcher after words? Are nouns your bread? Adjectives your butter? Verbs your little salad? Adverbs your house dressing? Well, then, this is the book to shiver you futtocks! Put an end to fopdoodly speech; amaze your friends, baffle your enemies, write interoffice memos to end all discussion! Peter Bowler will teach you the practical riches of saying it well with good words, neglected words, precise words for vocabular exultation. A Superior Person is not defined by income, class, or sex. A Superior Person uses Superior Speech. And, if Aristotle's definition of art as something both entertaining and edifying is still toasted with glee, then there's art a-chock-a-block in Mr. Bowler's dictionary - a funny, useful, and elevating little book.

Nothing short of a brief dictionary for those who aspire to linguistic snobbery. --St. Petersburg Times

Was looking for a gift for one of the smartest people I know and this was perfect. The cover illustration was delightful and the contents offered a quick wit a quick browse of some wonderful words. I would give this as a gift again.

excellent

I have bought this book for English teachers and word lovers over the years and it's still a favorite for the FUN choice of words and the humorous style of the author. On thing that's great about it is that you can actually USE a lot of the words--they are not too obscure or archaic to add to your active vocabulary.

The book arrived and exceeds expectations. I cachinated unscrupulously at the end of the prolegomena. I'm doubt it will replace Mrs. Byrne's as my vocabulary vade mecum, but it is an oblectable enchiridion in its own right. It is a pleasure to peruse.

Gifted to the husband and he is really enjoying all the fun new words. Mumblecrust. Fun.

A gift to a friend who is a "wordsmith!" She has devoured it.

My sin-in-law loves it!

Looks like some fun but not sure it will suit the person I had in mind to receive it. I'll probably hang onto it and see if it provides fun here on the home front.
