Mei Ruo is currently the vice president of Shanghai Luwan Painting Academy. He developed a passion for painting and Chinese brush painting from his childhood, and has dedicated himself to Chinese painting, teaching and cultural communication in the past few decades.

This is an excellent "How To" book covering the "Four Gentlemen" ~ the traditional way to begin learning Chinese painting. I teach Chinese painting, and use this book (among others) to help teach my beginning students.

Simple, easy to follow instructions. Good book.

Good images of the bamboos and the composition of the leaves

I want to return this. It is probably a good book on oriental brush painting, but I already have one I discovered. I would like to return this one as well.
