## Synopsis

\*\*\* WATCH THE VIDEO BOOK TRAILER - SCROLL DOWN BELOW \*\*\* The one and only Cubs commemorative book with original text from World Series hero David Ross PLUS the selfie he took onstage at the victory parade! The perfect gift and ultimate keepsake for Cubs fans everywhere, this exclusive commemorative coffee table book is the definitive photographic chronicle and celebration of the Chicago Cubs historic World Series victory. The most passionate, loyal, and deserving fans in baseball can finally proclaim We Are the Champions! More than a century in the making, enduring close calls and heartbreaks, Chicago Cubs fans have faithfully believed their day would come and so it has. The 2016 Cubs were methodically and strategically built to deliver the title that generations of fans have longed for. Every draft pick, every trade, every free agent signing, every call-up, every hire, every move, every decision saw another piece of the puzzle put in place, all focused on one goal: to deliver a World Series championship. Beginning with a dominating shutout on Opening Day, the Cubs took command of the division from Day One and never trailed, finishing with a league-best 103 wins. In the playoffs, the Cubs snuffed out the San Francisco Giants even year October magic and then dispatched the loaded Los Angeles Dodgers to earn their first trip to the World Series in more than 70 years. Matched against a Cleveland Indians team seeking to snap their own decades-long title drought, the Cubs battled into extra innings of the deciding Game 7, refusing to be denied and answering the call of destiny. Fans will never forget where they were when the Cubbies finally won, but the memories and moments are forever captured here.

## Customer Reviews

David Ross played catcher and was the emotional leader for the 2016 World Series Champion

Chicago Cubs. Ryne Sandberg played 15 seasons for the Cubs and was elected to the Hall of Fame in 2005. Pat Hughes is the Cubs longtime radio play-by-play broadcaster.

A first class publication and must have for any Chicago Cubs fan. It provides a great recap of the entire year from the regular season, to the playoffs, and finally the world series. It even includes photos and highlights of the victory parade and celebration at Grant Park. The photography is excellent throughout. The articles by the Cubs' David Ross, long time radio announcer Pat Hughes, and Cubs' legendary second baseman Ryne Sandberg provide great memories. There is even a tribute, including the words, to the popular "Go Cubs Go" victory song written by the late Steve Goodman on the back cover.

As a long-time Cubs fan (since 1984 and Sandberg's debut), it was a thrill to the max to see the Cubbies do so well in the 2016 WS. This is a great volume and the perfect keep-sake for remembering the Series, and the Cubs' players. Highly recommended! Quite an accomplishment for Ben Zobrist, too, winning the WS with an American League team one year, then with a National League team the next (in addition to being named MVP of the '16 WS)!

This book is awesome! Love the pictures and the writing is fabulous! A lot of the pictures even came from Grandpa Rossy's camera so it's such an intimate look behind the scenes where the normal press camera can't go. As a Cubs fan for over 33 years, this book commemorating the historic season is a must buy for each and every Cubs fans out there!

Cubs Win. 2016 was the greatest year of baseball ever and this book celebrates it. Read it and then read it again. We ain't afraid of no goats. Go Cubs Go. #FlyTheW I predict this book will reach #3 or higher on the NY Times best seller list. A good read that highlights and unforgettable year of baseball.

Love, love the Chicago Cubs Championship book. Any Cubs fan would love it. I've been a Cubs fan since 1968.
