Product Dimensions: 4.8 x 3.4 x 5.5 inches

Shipping Weight: 2.2 pounds (View shipping rates and policies)

Average Customer Review: 4.3 out of 5 stars 11 customer reviews

Best Sellers Rank: #136,661 in Books (See Top 100 in Books) #83 in [Books > Education & Teaching > Studying & Workbooks > Flash Cards](#) #221 in [Books > Education & Teaching > Higher & Continuing Education > Test Preparation > Advanced Placement](#) #612 in [Books > Education & Teaching > Test Preparation > College & High School](#)

Customer Reviews

McGraw-Hill authors represent the leading experts in their fields and are dedicated to improving the lives, careers, and interests of readers worldwide

The cards are flimsy and cheap. The information is okay. The box exactly fits the cards, so they are difficult to get back in once they are taken out. A little extra room in the box would be helpful. The Barron's set is better quality, better information and comes with a ring to put the cards on. I would go with that set.

I still find flashcards to be the best way to prepare for a test. My daughter used these and said that

they were very helpful in preparing her for the test. She used them only for about a week before the test and was still able to score a 5. Not sure what more one can say.

Great product and great study aid!!!!

EXCELLENT

ok

My daughter found these cards well worth it. She said they weren't organized for her purposes, nevertheless, they put things succinctly and the info easily accessed.

we were supposed to get the book, but these looked helpful. will find out at the end of the year.

Excellent study tool
