## Customer Reviews

Sally Balch Hurme, J.D., is currently a project advisor with the AARP Health Law Education team. In her more than 20 years at AARP, she has advocated on a wide range of issues, including consumer fraud, financial exploitation, elder abuse, surrogate decision making, advance care planning, predatory mortgage lending, health care fraud, and financial security. She is well recognized as an elder law advocate who is quoted frequently in national media, including the Wall Street Journal, USA Today, CNN.com, Money, Kiplinger's Retirement Report, NPR, and AARP The Magazine. Although she has written more than 20 law review articles on elder law topics, Hurme has focused her professional career on explaining the law so that everyone can understand it. She has lectured in Australia, Japan, the Netherlands, Germany, Spain, Italy, Czech Republic, Great Britain, and Moldova on elder abuse and surrogate decision making. She is also in demand as a speaker,

having given more than 100 presentations on elder law topics in at least 40 states.

The most helpful is the checklists that helped me tremendously in organizing my papers and documents and even give power to give power and structures which I have been found wanting. A follow up book that will be helpful to me will be for us American citizens who was to retire permanently in foreign countries about obligations to the US government in regard to income taxes, access to social securities, pension funds, health insurance etc.

I really can not review this as I bought it as a gift, not yet given, for someone who is 10 months from retirement. I gave it 5 stars because I am hoping that it is a 5 star gift!

Very good way to check off the needed items for retirement you might miss. Makes a good document too keep accounts and names in.

Did not pay attention.....A checklist? I wanted advice lol.

As I approach retirement, I have been looking for books to help me get there successfully. Most talk about what you need financially to retire, but her approach is the full package of getting you to think about what you want to do in retirement, what you feel are your strong points. Making sure you have everything in order in case something goes wrong and your kids need to take care of wrapping things up. Just leafing through it the first time, I thought this might be the only book I need to keep handy and read.

lots of good information in this book. Have not read it all, but enjoyed what I have. Would recommend this book

On quick inspection, appeared to be a lot of check lists. And I've not been back to since. I should perhaps give it another look, but that was my initial impression. Could be wrong.

This is better than some books about retirement I have read. I think most people would find useful information in this book.
