I'm Victoria, but most call me Tori. I currently attend Jefferson Middle School with Zoey, Summer, Kayla, Sara, Nicole, my "friends" Lacy, Sabrina, and Jade, and my "somewhat boyfriend" Tyler. Life was good until my "friends" decided to change. It wasn't until I talked to my REAL friends Kayla, Nicole, and Sara that I realized that I had to change. So I prayed, talked to God, and did right. Instead of going to Zoey's party, or "the party", I stayed home and studied for the test we were getting the next day. Everything seemed to be getting better. That was until my friends completely turned on me. Now I'm part of the hashtag war. Oh! And did I mention my neighbor & crush, Carson, Kayla's brother, hates me? Life just couldn't get any better right? (Summary of story told from Tori's POV)It was great to see all of the Jefferson Middle School characters again. None of 'em changed from the last time I read.Now let's meet the newest of the gang: Tori, Carson, and Tyler. Tori was having such a hard time. I was supporting her the whole way. Carson was...amazing! The way Tori described him had me melting and feeling bad for both him and Tori. Tyler was soo annoying! I wanted to slap him a lot.Out of all of Melanie Marks' middle school stories, this one was hands down my favorite! It had drama, drama, drama, & more drama, and a perfect ending! I hope she does another one with Carson & Tori in H.S.

This book is so relatable to girls in middle school. I love how this book ended. If you like romance then this would be a great book for you.

I started ordering Melanie Mars' " ... Wars" books more than a year ago for my granddaughter to read when she was at my house. She and I both have really enjoyed the funny characters as we've followed them through their "wars" in typical teen fashion. These are excellent books for pre-teens and young teen, particularly girls.

This book is really good. I like it just as much as the others. It's cool that tori and Carson have paper thin walls and can hear everything the other Peron is doing. Melanie please make more books!!!

My Daughter loved this book and wanted to give it 6 stars. Lol! Melanie, keep the books coming!

This book is amazing! Whoever rated this book bad..... don't listen! Perfect for girls who just love love and books with action with what's going on! Exactly why I rated 5 stars!

Love this book definitely recommend book for kids who love comedy romance. Maybe 7 1/4 age you could read it. Don't know but this book is really good.

Greatest romance book I ever read. This is a must read book, it makes me want to jump in happiness and break my tv because of Tori's new friends.
