## Customer Reviews

Thought I needed this, tried to follow it, but ended up discovering it was different on my computer. All I did was log into my account and found my Kindle information and returned using the Action square. Kind of what John Carter directed but slightly different. Should have trusted my own ability to figure it out on my own.

Go to your Account. Select "manage content and devices". The item that you wish to return will be in your content list. Select "Actions". Select "return Item". It's that easy. I figured it out by myself and I'm certainly not an IT whiz.

So straightforward and simple. Couldn't be any easier. It is just a bit sad however that I did need to download an ebook in order to find out how to return an ebook.

Thanks for the use of this book. The content was easy to follow and I appreciate that there were visuals!

Informative book to guide you through the kindle maze and features to get the most out of prime and kindle account. Don't spend more

I have tried repeatedly to return books with little success. The directions for using the Kindle Unlimited is very vague. I need further assistance in using my Kindle Unlimited; however, there is not a telephone # listed. Delight Ahlenius

I clicked on the information tab and the instructions were concise and EASY to understand. Thanks ! Much easier than the big "book"!
