Language: English

ASIN: B0010Z7Q8S

Best Sellers Rank: #22 in Books > Audible Audiobooks > Children's Books > Classics #111 in Books > Audible Audiobooks > Children's Books > Fiction

Customer Reviews

As a kid, this was one of my favorite books, as an adult, I still think back to this book. I read it for the first time in 5th grade, it's kind of like Clue. It has lots of characters ranging from kids, to older people all trying to figure out who the heir of the Westing Fortune is. Really fun book!

this is my favorite childhood book and i loved giving it to my 12 year old for christmas. she liked the cursed child from grandma better... lol... she's never been a big mystery fan but i have been and this is by far one of the best written.

Very fast delivery!!! One of my favorite books...even if it is for younger readers-Im 30! HAHA! Well it is my fourth or fifth time reading it! I would highly recommend this book!

A book about games, forgiveness, working hard, and growing up. A book geared for school-aged and adult readers too. A must read!

Excellent book to get kids involved in mysteries. Easy to understand, yet clever enough that solution is not obvious. Good page turner that you don't want to put down.

Modern classic is very accurate, I recently read this as an adult after many years since my first read-through as a teen. The book is actually better than I remembered and I greatly enjoyed it. I really can't describe it here without spoilers, so just go ahead and read it, you won't be disappointed.

A fun puzzle as each person mentioned in Westings' will gets all of the skeletons flushed from closet. I read this for the first time as an adult and enjoyed each page. The children in the story are intelligent, full characters even when the adult characters don't give them credit for it.

What do sixteen people, an abandoned house, an apartment complex, and a mystery have to do with millions of dollars? You will have to read this book to find out. In fact, the story's a blast!
