# Serial Homicide 1 - Ted Bundy, Jeffrey Dahmer & More (Notorious Serial Killers)

## Synopsis

This is the first book in the 'Notorious Serial Killers' series which will feature six cases in each volume. INCLUDES PHOTOS Ted Bundy was a burglar, rapist, kidnapper, necrophiliac (sexual intercourse with a corpse) and serial killer in the 1970s. It's believed he killed 30 plus women. Jeffrey Dahmer (the Milwaukee Monster), was a rapist, killer, necrophiliac, and cannibal who killed 17 young boys and men between 1978 and 1991. Albert Fish was a child rapist, cannibal and serial killer who operated between 1924 and 1932. It's believed that he killed at least 9 children and possibly more. During the 1980s and '90s, Gary Ridgway (Green River Killer), a serial killer and necrophiliac, is believed to have killed 49 women, but confessed to murdering 71. Between 1978 and 1983 in the United Kingdom, Dennis Nilsen (The Kindly Killer) is known to have killed between 12 and 15 young men. He had a ritual of bathing and dressing the corpses, preserving them for a time before dissecting and disposing of his victims by either burning them in a fire or flushing their parts down a toilet. Known as the Co-Ed Butcher, Edmund Kemper was a cannibal, necrophiliac and serial killer who, between 1964 and 1973, killed 10 women including his mother who he beheaded, used her head as a dartboard and for oral sex. Plus... Bonus Story In February 2013, LAPD Cop Chris Dorner went on a shooting revenge/spree killing targeting higher-up officers and their families.

## **Customer Reviews**

Another fascinating book about Serial Killers by one of my favorite all time authors, R.J. Parker. I have been obsessed with true crime for over 20 years, and R.J. Parker has always written great true crime books

This is a great collection of 6 famous serial killers, Fish, Bundy, Nilsen, Dahmer, Ridgway and Kemper. There is a lot of new information that I had not heard of before on these killers and their crimes. This is an excellent reference book for any TC library. I am looking forward to future volumes.

Very interesting read; however, the repetition of details and complete narratives were unnecessary. Some dates and info differed from previous statements, but otherwise a very knowledgeable presentation. I have read other works by RJ Parker and the details and narrative are well delivered.

I was tricked into buying this. I would've liked more on more serial killers. And I was not at all interested in the bonus book

If you love reading True Crime, I think this is a great book to add to your collection! Author RJ Parker did a great job on this interesting, easy and quick read! This collection includes chapters on the following 6 serial killers: Albert Fish: (suspected of murdering up to 30 children, admitted to 3 and convicted of 1) Ted Bundy: (suspected victim count is from 30-100) Dennis Nilsen (aka "The English Jeffrey Dahmer") Jeffrey Dahmer (aka "The Milwaukee Cannibal") Gary Ridgeway ((aka "The Green River Killer") Edmund Kemper (aka "The Co-ed Killer") PLUS..there is a bonus book included! Revenge Killings (also by RJ Parker) is about serial cop killer, Chris Dorner. Both books include pictures in the Kindle version!

It was interesting if you want to know the facts and not the story behind it. The dates and facts

however jump all over the place where you find yourself thinking what did I miss.

Not that interesting

This is a great compilation of stories about serial killers. The author captures the reader's attention with each story. The writing is so descriptive of the personalities and the events. Great read for true crime genre.
