## **Customer Reviews**

Born in Denver, Gene Amole was educated in the Denver Public Schools and has spent most of his life in the Mile High City. He has had careers in radio, television, and newspapers, sometimes all at the same time. He has been a columnist for the Rocky Mountain News since 1977.

Amole was Denver's voice and heart for several decades. He has written other books, including the last one he writes about his impending death. When I found the first book he wrote, a collection of his columns for the Denver newspaper, I could not put it down and stayed up all night reading it. The next day I ordered his others online. His honesty and perceptive writing stand out, I think of him as the spirit of Denver. A tough guy with a tender heart. I have never lived in Colorado, but I wish I had and I wish I had known Gene Amole. If you read his books I think you too will wish he had been one of your best friends. He is a classic.

I have always loved Gene's work in the Rocky Mountain News and was very sad when he told his readers he was accepting death. this book sort of chronicles the last few years of this great columnists works. Reading this book reminds me of how I always looked forward to the next article

and even now is a refreshing and eye opening window on our lives in general. I was happy to see it available here :)

Gave this to my mom for Christmas and asked for it when she is done. She displays it on her living room bookshelf as everyone over 30 in Denver knows Mr. Amole.
