Respiratory Care Made Incredibly Easy! (Incredibly Easy! Series)®

Synopsis

Respiratory Care Made Incredibly Easy! is a handy reference book in the award-winning Incredibly Easy! series – perfect for those entering or needing a refresher in respiratory nursing care. Respiratory care is a demanding and complex area of nursing practice, because adequate respiratory functioning is essential to life. This book covers respiratory assessment techniques, diagnostic testing, airway maintenance, oxygen delivery, chest drainage, suctioning, ventilatory support, care of the patient receiving ECMO, ETCO₂ monitoring, and preoperative and postoperative care for patients after a thoracotomy or a lung transplant.

Customer Reviews

This book helped to simplify things for me in my respiratory section of RN school. Worth the money!

ddddd

The book came on time. It was very easy to read and easier to understand. I got an A on my test. It is all thanks to this book. I recommend this seller because I received the book so fast!

This book is amazing it helps me a lot... You always have to go back to basics that sometimes we forget.

Excellent book with high quality and to the point information. I found it superior to other books in the same line.

it will help me in my specialist

Excellent

Awesome
