Customer Reviews

Typical high quality Lonely Planet guide, intermediate between backpackers' style and luxury style. Aimed at travelers, rather than mere tourists. That is, we like to interact with the locals and get immersed in the ambiance of each place we visit, rather than just check off a list of tourist sites visited. We use Rick Steves for Europe and Lonely Planet for the rest of the world.

I like this book and it will be great for our travel.

Great travel book.
