Bruce Gilden is a MAGNUM photographer and native New Yorker. His work has been exhibited in numerous museums and galleries all over the world. He is represented in many collection.

One flick through this at one of my many Soho bookshop pitstops told me that this was a unique talent. Bruce is a master of what I dubbed 'Street Level' photography. It gives you the urge to grab your camera and just run out there, as anythings possible. Bruce gives us big slices of life. Better than any orchestrated setpiece, you just couldnt create these people, because they're real! This book has the elements that make NY such a haven for freaks, geeks, and showman streaks. My personal fave is the black guy standing on the corner with his huge 'Marriage counselling' plaquard. Read the plaquard and you will DIE laughing. You cant make this kind of thing up, its human nature.

I thought that it would be in better conditions .
