Practical Well Control

Synopsis

Complies with IADC WellCAP Accreditation Standards! For drillers, toolpushers, company representatives, and anyone who requires knowledge of well-control techniques and equipment. Often used as a text for well-control certification classes. This book supports the International Association of Drilling Contractors (IADC) WellCAP accredited training programs. Appendices include hydrogen sulfide procedures, capacity tables, formulas for well-control calculations, and cross-references to Minerals Management Service regulations and the WellCAP curriculum.
