The Arab Spring: Change And Resistance In The Middle East

Synopsis

The Arab Spring unexpectedly developed in late 2010 with peaceful protests in a number of Arab countries against long-standing, entrenched regimes, and rapid political change across the region ensued. *The Arab Spring: Change and Resistance in the Middle East* examines these revolutions and their aftermath. Noted authorities writing specifically for this volume contribute chapters focusing on countries directly or indirectly involved, illuminating the immediate and long-term impacts of the revolutions in the region and throughout the world. A thoughtful concluding chapter ties together key themes, while also delineating persistent myths and misinterpretations. This is an essential volume for students and scholars of the Middle East, as well as anyone seeking a fuller understanding of region and what may lie ahead.

Book Information

Paperback: 288 pages

Publisher: Westview Press (November 27, 2012)

Language: English

ISBN-10: 0813348196

ISBN-13: 978-0813348193

Product Dimensions: 8.9 x 6.3 x 0.7 inches

Shipping Weight: 12 ounces

Average Customer Review: 4.5 out of 5 stars 2 customer reviews

Best Sellers Rank: #242,280 in Books (See Top 100 in Books) #69 in [Books > History > Africa > North Africa](#) #88 in [Books > History > Africa > Egypt](#) #158 in [Books > Textbooks > Humanities > History > Africa](#)

Customer Reviews

"The best general book on the Arab Spring so far. Covers all the ground. Makes all the necessary distinctions between the popular uprisings. And draws many useful lessons." — Roger Owen, Harvard University
"This collection is the most comprehensive to appear since the 'Arab Spring' erupted at the end of 2010. Part I includes contributions on Tunisia, Egypt and Libya that completed revolutions, Syria that is still undergoing one, and Saudi Arabia and Jordan that have so far managed to avoid them. Part II concentrates on the regional and international responses to the 'Arab Spring'. The collection is bookended by the editors' thoughtful introductory chapter framing the topic and a perceptive concluding chapter by the historian James Gelvin. This book is highly recommended." — Philip S. Khoury, Massachusetts Institute of Technology

Mark L. Haas is associate professor in the Political Science Department and the Graduate Center for Social and Public Policy at Duquesne University in Pittsburgh. He is the author of *The Clash of Ideologies* and *The Ideological Origins of Great Power Politics, 1789–1989*, and coeditor of *The Middle East and the United States* (Westview Press). David W. Lesch is professor of Middle East history and chair of the History Department at Trinity University. Dr. Lesch is the author of several books, including *Syria: The Fall of the House of Assad* and *The New Lion of Damascus*, and coeditor of *The Middle East and the United States* (Westview Press).

In connection with my Great Decisions group, I read "The Arab Spring" to gain a better understanding of how the changes in Egypt are affecting other areas of the Middle East. I found this book to be Very Good in this regard. Each section profiles one country, including Turkey and Russia. The section authors obviously have spent a lot of time in their area and appear to be extremely knowledgeable. The book presents facts, not suppositions. The authors only express their own suggestions of what's next in the final paragraphs.

Great great great great Great great great great Great great great great Great great great great Great great great Great great great good excellent good amazing thrilling cool
